Tyn Twr. Family Accommodation. Tyn Twr has only accommodation for one young family at a time, i.e., where the children are toddlers and require close supervision. It is essential that any such family contact the Hut Warden before a visit, in case the family room is in use. Where the children are older and can sleep in the main dormitories, girls and mothers are expected to sleep in the women's dorm, boys and men in the men's dorm. We do expect parents to use commonsense and not, as happened recently, have a family in every room.

Working Weekends. The next Working weekend is at Tyn Twr on the weekend of 31st Oct/1st. Nov. (Also Bonfire weekend). The main work to be carried out is internal painting. Can we please have as many volunteers as possible. Our record this year for attendance at working weekends is: Bishop's Scale 4/5th April - two persons, Tyn Twr 10/12th July - one person. Not figures we can be proud of.

1992 Golden Jubilee Journal. This is my last opportunity to appeal for articles and photographs for the next journal. We hope for something special this year and I don't want to be 'filling out' with articles from old bulletins. Let me have your experiences in writing by the end of November, preferably typed for easy reading, and please remember the photos.

Dunmail. By the time you have received this newsletter the Dunmail hut will be lit for the first time by electricity.

Bishop's Walk - 3rd October. A final reminder for helpers to let me have their names if they have not put them on the list at Bishop's Scale. Please indicate if you want a vegetarian meal.

Promissary Note. This was used for raising funds to purchase Tyn Twr. John Foster is appealing for one to frame. Please send to me.

Winter Meet. At Mill Cottage, Feshie Bridge, 20-26th February, Saturday to Saturday. £24.50 for the week.
