

Climbing Meets. July 29th at Bishop's Scale. August 17th at Tyn Twr. Meet Leader Faz Faraday.

1996 Journal. Articles have already started coming in making my job much easier. We are already half way through the year and I look forward to receiving reports on meets, etc. Don't leave everything to the last minute!

1997 Alpine Meet. A few years ago we had a highly successful meet in Chamonix and completed the Tour de Monte Blanc. Next year it has been suggested that we tackle the Tour of Monta Rosa. This apparently is a new or newish course and I am still seeking information of it. Hopefully I will be able to provide more details later.

Langdale Chapel. Permission has been granted for a wedding service to take place in the chapel during August this year. It will not interfere with any club activities.

CAFOD Grisedale Horseshoe Race. 7th September. The race organiser this year is Colin Jones, 3 Church Street, Horwich, Bolton. Colin will be hoping for the same support as that given to Peter McHale. Please let Colin know in plenty of time if you are willing to assist. Tel. 01204 690013.

Recent Operation. Many thanks for all the prayers, goodwishes, cards and letters regarding my recent illness. Hopefully all is clear now and I am on the road to full recovery and fitness. During the next few months a strict routine of carefully planned exercise and diet is necessary, so to this end I have decided to follow the advice offered by the medical profession rather than that prescribed by certain members - I don't feel that another Bob Graham round this year is within my capabilities - and whilst I am grateful for their concern, I suspect that Civil Engineers, Electrical Engineers and Social Workers are not the best judges of my present condition, in spite of the fact that the consultant was very impressed by their 'dummy run' operation at Tyn Twr during April last, and was deeply touched by their offer of assistance, though they did emphasise that they were not 'proper doctors'. Once again, many thanks for your kind thoughts.

Derek Price. June 1996.
